### Totals by class

| Class | Teacher | Students | Practiced | At least one right |
|---|---|---|---|---|
| Grade 11 Math | Ms. Carter | 8 | 6 | 4 |
| Grade 11 Reading and Writing | Mr. Lopez | 12 | 9 | 5 |
| Grade 12 Math | Ms. Carter | 14 | 8 | 4 |
| **All classes** | | **34** | **23** | **13** |

Totals only. No student names, notes or conversations. Classes under 5 students are excluded (1). "At least one right" counts students with at least one answer right on their own this week, a sign of use. "On their own" means right on the first try, with no help, on a question not seen before, and not a guess. It is not an SAT score.
